

Vocabulary

– Prokaryote

– Eukaryote

– Multicellular

– Unicellular

– Autotroph

– Heterotroph

– Cell Wall

– Cell Membrane

– Asexual

– Sexual

– Mobile

– Immobile

Study Tips

The test is mostly **comparison**

– Know the characteristics of the kingdoms (chart) **VERY WELL** so that you can compare/contrast

– WHY do we classify?
– HOW do we classify?
– If you are given an example, can you classify based on the characteristics?

In-Class Study

(Also Homework tonight)

- Make Flashcards using:
 - Study Guide (anything that you had to look up)
 - 6 Kingdoms Chart (anything you don't have memorized)
 - Quizizz (any questions that you miss):
 - *Mock Test (36 questions):* **392389**
 - *Unit 1 Classifications (67 questions):* **465164**
